The largest number of North Queensland dive operators ever promoted the Great Barrier Reef to the American dive industry at a recent major tradeshow in Florida Tourism Minister, Merri Rose said today.

As part of the DEMA (Dive Equipment Marketing Association) annual tradeshow in Miami, Florida, 13 Australian dive operators, including 10 from Queensland, staffed the Australian pavilion to promote the Great Barrier Reef as the world's best dive destination.

"The Great Barrier Reef is the world's largest reef system and one of the 'must dive' destinations on any keen diver's list," Ms Rose said.

"DEMA is the US' premier dive marketing tradeshow and the Queenslanders will have the chance to promote their product to top dive shops, travel agents, instructors and equipment suppliers to name a few.

"These were the movers and shakers of the American dive industry and they have a direct line to the diving public."

Ms Rose said Tourism Queensland's North American office was also soon to undertake a major dive marketing campaign aimed at keen or "hard core" divers.

"We already know that visiting the Great Barrier Reef is one of the major reasons Americans visit Queensland and that the majority of visitors will undertake some sort of dive or snorkeling trip – be it a day trip or an extended liveaboard – during their stay.

"We are now specifically targeting those certified divers who will travel a long distance and spare no expense just for a high quality dive experience.

"There is no doubt that the Great Barrier Reef has the quality of product to provide the world's best dive experiences."

Ms Rose said DEMA had proven a good testing ground for Tourism Queensland's dive marketing campaign, which would include advertising and editorial support in the US' top dive publications, and a special dive website linked to the Australia.com.

Queenslanders who attended DEMA included Quicksilver Dive, Undersea Explorer, Taka Dive, Tusa Dive, Elizabeth E Cruises, Mike Ball Dive, Pro Dive Cairns, P&O Australian Resorts, The Adventure Company and Tourism Queensland.

The dive campaign is scheduled to begin early in 2004.

Arrive Cairns.

Cairns city is in the heart of the Tropical North and is the primary gateway to Northern Australia. A modern, sophisticated city, it is an ideal base to explore the wider region with front door access to the Great Barrier Reef, rainforest and outback. An amazing 600 tour options are available each and every day from Cairns city. The Cairns International Airport is located only several minutes drive north of the city centre. The city itself is where much of the accommodation is situated with international standard restaurants, boutique shopping, modern art galleries and nightclubs to keep visitors entertained.

Clothing:

Casual lightweight clothing is suitable for the Tropical North Queensland climate, with something a little more 'dressy' (smart casual) for the evening. The region is blessed with warm weather most of the year, so a swimsuit, sunscreen and hat are an essential addition to the holiday wardrobe. Pack comfortable shoes for walking, and a sweater or jacket or cardigan for dry season evenings.

Collect Avis hire car and transfer to your accommodation – Cairns International.

Depart Thala and continue north to Port Douglas.

1600 approx. Arrive at Port Douglas and check in at the Radisson Treetops Resort.

Accommodation will be courtesy of Radisson Treetops and Tourism Queensland. All personal expenses for Eric to be settled direct on check out.

From glamorous Four Mile Beach to the wilderness of Dickson Inlet, picturesque Port Douglas has become an international holiday mecca - just 70 kilometres north of Cairns. With nothing taller than a palm tree, development is low-rise, low-key and relaxing. It is regarded as the most popular base from which to explore the northern areas of the reef and rainforest coast of Daintree and Cape Tribulation.

Despite its popularity and sophisticated five star accommodation, it retains a close community atmosphere. Sharing the same tropical latitude as Tahiti, Port Douglas still attracts visitors for its old fashioned charm, wide streets shaded by trees and superb holiday attractions.

Along Macrossan Street, there are a wide array of restaurants, cafes, boutiques and shops. Other popular spots in Port Douglas include; Marina Mirage, where there is a daily hive of activity with incoming boats, yachts and vessels, and 4 Mile Beach.

Radisson Treetops Resort is set amongst one of the most beautiful and unique locations in the world, nestled between the Daintree rainforest and the Great Barrier Reef. Built amidst its own rainforest with free flowing waterways, Radisson Treetops Resort is a stunning retreat with all the modern amenities you can expect from a four star international resort. Less than an hour's journey north of Cairns, this exotic resort has 303 contemporary style rooms, suites and apartments located five minutes drive from Port Douglas Village Centre and a short walk from Four Mile Beach. The resort offers lagoon style pool and massage studio as well as two unique restaurants, the Outback Bar and Grill and Wharf. All rooms are recently refurbished and spacious with king bed.

Number of Rooms 303

Reception Hours Open 24 hours.

Tonight Radisson Treetops will host both yourself and Eric to the Port Douglas Carnivale. You will need to make your own way to Stinger Park by bus, which departs from the resort and will cost about \$2 per person. Chanelle Garvey from Radisson who will be your host is also looking after some media and will not be able to take you to the Park however, Leigh Sorenson from TTNQ will be sitting at their table so if you keep an eye out for him or just ask around....there will be plenty of industry people there.

Tickets will be in your room on check in for this event.

If you head to Stinger Park around 6pm

It is a very casual event (jeans/t-shirt, you may need a coat/jacket if the wind picks up) Your ticket will allow you entrance to the VIP area and will give you about \$25 worth of food/beverage. You will then need to pay for anything over and above that. It finishes about 11.30pm. You can then go home or keep partying!

Port Douglas Village Carnivale commenced in 1993 and since that time it has grown from strength to strength. Carnivale is unique due to its very strong local participation from all walks of life, including the local sugar industry and fishing fleet. It is a time for the locals to kick up their heels and join in the week of varied entertainment. Visitors have now discovered the excitement of the weekend and many are returning each year to join in the relaxed fun of Carnivale.

Historically, Port Douglas Village Carnivale was developed to celebrate the opening of "the tourist season" and promote the area both domestically and internationally. With 2002, we see the '10th Birthday Celebrations' of Carnivale and the event has gone from strength to strength with a popular following and many returning guests.

Carnivale has a very special concept, where the community is actively involved in every aspect. From designing a float, raising money for their School, Club or Charity, creating sand sculptures to simply being one of the crowd.

This morning you will have time to see Port Douglas at your leisure. Leanne Henderson will meet you at Radisson Treetops at 12.30pm and will join you for the next few days.

Suggestions:

Visit the Port Douglas Markets, on every Sunday in Wharf Street from approximately 7:30am to 3:00pm, depending on the season. Purchase all sorts of arts and crafts, souvenirs and food & drinks most of which is hand made by locals in this region.

Shopping in Port Douglas

BROWSE & BUY - the quality of goods here matches the destination; from the seaside Sunday markets, the boutiques and leisure retail stores to the funky rainforest craft shops.

Remember how to browse? Rediscover shopping without the constraints of a time limit at Marina Mirage. Choose quality Australian artifacts from one of the region's many art and craft galleries.

Retail in this region will amaze you simply by the variety, quality and volume available. You can buy anything from a simple locally made souvenir to Internationally famous designer clothing and luxury goods. Indigenous Arts and Crafts abound side by side with labels such as Louis Vuitton, Lacoste, Polo Ralph Lauren, Coogi. Visitors and locals alike can purchase casual clothing suitable for a day at the Beach to designer evening wear or even beautiful timber artifacts.

A feature of retail in the area, from artwork to souvenirs and fashions, is the amount of locally produced merchandise. Local markets also delight with their locally grown produce and gifts.

Kuranda is the aboriginal for 'village in the rainforest', and over the years Kuranda has taken on a distinctive character as a popular visitor destination in its own right.

Kuranda is famous for having the biggest and most frequent art and craft markets in Tropical North Queensland. Four times a week country markets delight visitors who pick their way through stalls terraced among the trees - showcasing local products from didgeridoos and damper to art, craft and local fashions.

Kuranda also boasts Australia's biggest butterfly display which is home to exotic species such as the brilliant blue Ulysses and the Red Lace Wings butterfly that flash their presence as smaller and camouflaged species feed on the tropical flowers and trees of their expansive sanctuary.

Indigenous culture, legends and lifestyle give the village an ancient feel. Internationally recognised Aboriginal dance groups and members have performed in Kuranda while another Aboriginal and Torres Strait Islander group has chosen a forest amphitheatre in which to perform, just minutes from the Kuranda village.

The Kuranda Markets offers a wide variety of unique arts and crafts from all over Tropical North Queensland. Shoppers will delight in the variety of products available at the spectacular Kuranda Markets.

Tropical North Queensland region enjoys a pleasant climate year round.

There are generally only 2 seasons in the Tropics: "The Green" and "The Dry". The Green season begins with the first rains, usually around November, and ends around May. Average Green season temperatures range from 24-33 degrees Celcius (80-98F) and 14-16 degrees Celcius (60-64F) in the Dry season. Temperatures on the Atherton Tablelands are often lower than on the coast.

Tropical North Queensland region enjoys a pleasant climate year round.

There are generally only 2 seasons in the Tropics: "The Green" and "The Dry". The Green season begins with the first rains, usually around November, and ends around May. Average Green season temperatures range from 24-33 degrees Celcius (80-98F) and 14-16 degrees Celcius (60-64F) in the Dry season. Temperatures on the Atherton Tablelands are often lower than on the coast.

Optional touring:

A. Atherton Tablelands, Waterfalls & Paronella Park

Your day begins with a scenic drive up the Gillies Range, overlooking breathtaking Mulgrave Valley. Early morning tea at Lake Barrine Teahouse, with the option of boarding the Rainforest Wildlife Cruise. Go for a swim, or enjoy a rainforest walk to the massive 1,000 year old Kauri Pines.

The amazing Curtain Fig Tree will inspire a photo or two, then on to Malanda Environmental Centre at the town of Malanda, start of the longest milk run in the world. Lunch at the Roundyard Stockmans Restaurant follows before heading off to the famous Milla Milla Falls.

Continuing down the Platypus Highway, on to inspiring Paronella Park for a guided tour of the Spanish Castle ruins, with time to yourself to explore this amazing piece of history. Not forgetting the mammoth and spectacular Mena Creek Falls.

Last stop before heading back to Cairns is the Babinda Boulders, a place shrouded in Aboriginal myth, with an extremely dense rainforest jungle by crystal waters where we may spot the elusive Platypus

B. Half day Rafting tour

Enjoy the Thrills and Spills of White Water Rafting with R2.

Raft the Tully River, through heritage listed rainforest.

Departing daily, travelling to the upper gorge of the Tully River in an air-conditioned, video equipped coach. Rescue 3 trained guides provide all tuition needed to enjoy up to 4 hours of white water rafting on Grade 3 & 4 rapids.

Enjoy a BBQ lunch on the banks of the river and a chance to take in the spectacular scenery. Then back to the action in the foaming white water of the lower gorge. The entertainment does not stop there - return to the exclusive Raging Thunder Cafe where screams of laughter abound as you watch the day's action on video before Raging Thunder returns you to Cairns.

Please take with you sand shoes or similar that can get wet, swimsuit, towel, sunscreen etc. There are facilities for you to store your clothes and possessions, as well as other personal items.

C. Tusa Dive Day Trip

Daily Tusa takes divers and snorkellers to the most spectacular sites for the maximum number of hours on the outer great barrier reef. In a day you will visit two magnificent sites chosen as the days best from Tusa Dive's range of 21 moorings. At any one site you may explore vast coral gardens, walls drop-offs, caverns and isolated pinnacles with an array of colourful marine life. You'll leave the crowds behind you as you cruise at twenty knots and reach the Outer Great Barrier Reef, within 90 minutes from Cairns. You'll be only one of a handful of dive enthusiasts aboard one of Tusa's large comfortable dive vessels.

D. Food Trail Tour – Tastes of the High Plains

A relaxing food and wine tour with an agricultural focus. Indulge in the tastes of the tropics on a day of grazing. Taste tropical fruit wines and liqueurs, macadamias and boutique coffee. You will visit several farms, pick fruit from the tropical fruit trees, meet farmers and experience many tasting opportunities. Buy bargains direct from the cellar door or farm gate and have it shipped home.

1845 **All participants to meet at the reception area for your transfer to Cairns Tropical Zoo.**

The Cairns Night Zoo is a uniquely Australian night out. Combining the Aussie BBQ, some night spotlighting, a meeting with a genuine 'Swaggie' by his campfire - he'll offer you some billy tea and damper and spin a yarn about life in the slow lane.

Subject: New Product Workshop

Importance: High

3-4pm Set up room

Part One: The Workshop

4-4.15pm Introduction - who's here, why they turned up, what they are looking for
4.15-4.30pm COAST - who we are and why we are so good, all the value that we add
4.30-4.45pm Workshop - what to expect, the procedure, how to best use your time
 Time for questions

Part Two: Distribution alternatives in the North American Market

4.45-5.05pm Affinity groups.

Group touring in the 21st century.

Affinity groups are educated people with common interests.

What does this mean for wholesalers and operators? How to tweak your product and marketing strategies to attract these travelers.

5.05-5.25pm Consortia - travel agent perspective

How consortiums add to the distribution process.

Some history on the main groups and their membership, financial status - how they work.

ARC figures over the last 5 years have decreased - where did these agents go?

How the consortia work with agents/wholesalers. What distinguishes one from another.

5.25pm-5.45pm: The Internet - start feeling the love.

A summary of the impact of the internet on the traveling consumer.

What they look for online, what they book online right now and the most popular sites.

Financial implications, privacy policies, use of databases.

Will also cover anticipated developments and what this means for the industry

Compare use by Canadians and Americans Also could be good to talk about how low cost carriers use the internet profitably.

Stress that the internet does not have to mean cheap product
